2.2. Isabel Security Token - with standard delivery	44,47€
2.3. Isabel Security Token - with urgent delivery <sup>5</sup>	344,92€

## 3. Service fees

3.1. On-site standard interventions <sup>6</sup>	
For the first hour, including expenses for travel within Belgium	187,00€
For each started additional hour	80,14€
3.2. On-site non-standard interventions <sup>7</sup> and consulting	
Prices on demand and calculated based on the 'Rate Card – Man Day Fees'	
3.3. On-site training	
For the first 2 hours, including travel expenses within Belgium	350,00€
For each started additional hour	100,00€
3.4. Paper invoicing	3,90€/invoice/month
Invoices issued by Isabel N.V./S.A. are per default sent electronically via Zoomit or Peppol. It is only on express written request that electronic invoices are replaced by paper invoices.	
3.5. Duplicate invoice	7,92€/invoice
3.6. Ad hoc requests of reporting history <sup>7</sup>	
Prices on demand	

<sup>3</sup> Prices per unit and delivery only in Belgium.

<sup>4</sup> Price per unit, except in case of a first purchase for a new user, in which case the Isabel Card Reader is for free.

<sup>5</sup> Urgent deliveries are only offered by certain banks. Please contact your principal bank for more information and conditions.

<sup>6</sup> Depending on the (technical) specifications of the Customer's request, Isabel will classify the Customer's request as a standard or non-standard intervention. An intervention will be classified as standard when, for example, the Customer simply cannot install Isabel 6 on its PC due to a conflicting software. An intervention will be classified as non-standard when, for example, it concerns an intervention regarding Isabel Corporate Synchronizer (ICS).

<sup>7</sup> Isabel reserves the discretionary right to accept or not, the Customer's request for a report, but will not unreasonably refuse such request. If the request is accepted, the delivered work will be invoiced to the Customer, based on a calculation to be provided upfront by Isabel N.V./S.A.
